The Stray Shopping Carts of Eastern North America Julian Montague, 2023-10-30 A taxonomy we didn't know we needed for identifying and cataloging stray shopping carts by artist and photographer Julian Montague. Abandoned shopping carts are everywhere, and yet we know so little about them. Where do they come from? Why are they there? Their complexity and history baffle even the most careful urban explorer. Thankfully, artist Julian Montague has created a comprehensive and well-documented taxonomy with *The Stray Shopping Carts of Eastern North America*. Spanning thirty-three categories from damaged, fragment, and plow crush to plaza drift and bus stop discard, it is a tonic for times defined increasingly by rhetoric and media and less by the plain objects and facts of the real world. Montague's incomparable documentation of this common feature of the urban landscape helps us see the natural and man-made worlds—and perhaps even ourselves— anew. First published in 2006 to great perplexity and acclaim alike, Montague's book now appears in refreshed and expanded form. Told in an exceedingly dry voice, with full-color illustrations and photographs throughout, it is both rigorous and absurd, offering a strangely compelling vision of how we approach, classify, and understand the environments around us. A new afterword sheds light on the origins of the project.

Doodleville Chad Sell, 2020-06-09 For fans of Svetlana Chmakova's *Awkward* and Raina Telgemeier's *Smile* comes an inventive new story from Cardboard Kingdom creator Chad Sell about a group of young artists who must work together when one of their own creations becomes a monster. Drew is just a regular artist. But there's nothing ordinary about her art. Her doodles are mischievous . . . and rarely do they stay in Doodleville, the world she's created in her sketchbook. Instead, Drew's doodles prefer to explore the world outside. But after an inspiring class trip to the Art Institute of Chicago--where the doodles cause a bit too much trouble--Drew decides it's time to take her artistic talents to the next level. Enter the Leviathan--Levi,

for short. He's bigger and better than anything Drew has ever created before. He's a monster, but a friendly one. That is, until Levi begins to wreak havoc on Drew's other doodles--and on the heroes her classmates have dreamt up. Levi won't be easily tamed, and it seems there is a link between the monster's bad behavior and Drew's feelings. With the help of her loyal art club friends, will she be able to save Doodleville--and Levi--before it's too late?

A Lost Lady Willa Cather, 2023-11-15 *A Lost Lady* is a novel by American author Willa Cather, first published in 1923. It centers on Marian Forrester, her husband Captain Daniel Forrester, and their lives in the small western town of Sweet Water, along the Transcontinental Railroad. However, it is mostly told from the perspective of a young man named Niel Herbert, as he observes the decline of both Marian and the West itself, as it shifts from a place of pioneering spirit to one of corporate exploitation. Exploring themes of social class, money, and the march of progress, *A Lost Lady* was praised for its vivid use of symbolism and setting, and is considered to be a major influence on the works of F. Scott Fitzgerald. It has been adapted to film twice, with a film adaptation being released in 1924, followed by a looser adaptation in 1934, starring Barbara Stanwyck. *A Lost Lady* begins in the small railroad town of Sweet Water, on the undeveloped Western plains. The most prominent family in the town is the Forresters, and Marian Forrester is known for her hospitality and kindness. The railroad executives frequently stop by her house and enjoy the food and comfort she offers while there on business. A young boy, Niel Herbert, frequently plays on the Forrester estate with his friend. One day, an older boy named Ivy Peters arrives, and shoots a woodpecker out of a tree. He then blinds the bird and laughs as it flies around helplessly. Niel pities the bird and tries to climb the tree to put it out of its misery, but while climbing he slips, and breaks his arm in the fall, as well as knocking himself unconscious. Ivy takes him to the Forrester house where Marian looks after him. When Niel wakes up, he's amazed by the nice house and how sweet Marian smells. He doesn't see her much after that, but several years later he and his uncle, Judge Pommeroy, are invited to the Forrester house for dinner. There he meets Ellinger, who he will later learn is Mrs. Forrester's lover, and Constance, a young girl his age.

The Forgotten Door Alexander Key, 2014-07-29 "Well written fantasy with strong character emphasis and empathy" from the author of the sci-fi classic *Escape to Witch Mountain* (Kirkus Reviews). At night, Little Jon's people go out to watch the stars. Mesmerized by a meteor shower, he forgets to watch his step and falls through a moss-covered door to another land: America. He awakes hurt, his memory gone, sure only that he does not belong here. Captured by a hunter, Jon escapes by leaping six feet over a barbed-wire fence. Hungry and alone, he staggers through the darkness and is about to be caught when he is rescued by a kind family known as the Beans. They shelter him, feed him, and teach him about his new home. In return, he will change their lives forever. Although the Beans are kind to Little Jon, the townspeople mistrust the mysterious visitor. But Jon has untold powers, and as he learns to harness them, he will show his newfound friends that they have no reason to be afraid.

My Dura-Europos Susan Mary Hopkins, Norma W. Goldman, 2011 Describes life from a woman's perspective at the excavation of Dura-Europos, an ancient site that contained many remarkable archaeological finds.

The Circle Dave Eggers, 2013-10-08 INTERNATIONAL BESTSELLER • A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a “compulsively readable parable for the 21st century” (Vanity Fair). When Mae Holland is hired to work for the Circle, the world’s most powerful internet company, she feels she’s been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users’ personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company’s modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can’t believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman’s ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.

A Different Pond Bao Phi, 2020-03-28 A 2018 Caldecott Honor Book that Kirkus Reviews calls a must-read for our times, *A Different Pond* is an unforgettable story about a simple event - a long-ago fishing trip. Graphic novelist Thi Bui and acclaimed poet Bao Phi deliver a powerful, honest glimpse into a relationship between father and son - and between cultures, old and new. As a young boy, Bao and his father awoke early, hours before his father's long workday began, to fish on the shores of a small pond in Minneapolis. Unlike many other anglers, Bao and his father fished for food, not recreation. A successful catch meant a fed family. Between hope-filled casts, Bao's father told him about a different pond in their homeland of Vietnam. Thi Bui's striking, evocative art paired with Phi's expertly crafted prose has earned this powerful picture books six starred reviews and numerous awards.

Decelerate Blue Adam Rapp, Mike Cavallaro, 2017-02-14 The future waits for no one. In this new world, speed and efficiency are everything, and the populace zooms along in a perpetually stimulated haze. Angela thinks she's the only person in her family—maybe the only person on the planet—who sees anything wrong with this picture. But the truth is she's not alone. Angela finds herself recruited into a resistance movement where the key to rebellion is taking things slow. In their secret underground hideout, they create a life unplugged from the rapid-fire culture outside. Can they free the rest of the world before the powers that be shut down their utopian experiment? From revolutionary and award-winning playwright Adam Rapp and veteran cartoonist and animator Mike Cavallaro comes *Decelerate Blue*, a dark, breath-taking new vision of

an all-too-plausible future for America.

A Tiny Upward Shove Melissa Chadburn,2022-04-12 “Wild and ambitious . . . [with] something ablaze at its core. It burns.” —The New York Times Book Review A Tiny Upward Shove is inspired by Melissa Chadburn's Filipino heritage and its folklore, as it traces the too-short life of a young, cast-off woman transformed by death into an agent of justice—or mercy. Marina Salles's life does not end the day she wakes up dead. Instead, in the course of a moment, she is transformed into the stuff of myth, the stuff of her grandmother's old Filipino stories—an aswang, a creature of mystery and vengeance. She spent her time on earth on the margins; shot like a pinball through a childhood of loss, she was a veteran of Child Protective Services and a survivor, but always reacting, watching from a distance, understanding very little of her own life, let alone the lives of others. Death brings her into the hearts and minds of those she has known—even her killer—as she accesses their memories and sees anew the meaning of her own. In her nine days as an aswang, while she considers whether to exact vengeance on her killer, she also traces back, finally able to see what led these two lost souls to a crushingly inevitable conclusion. In A Tiny Upward Shove, the debut novelist Melissa Chadburn charts the heartbreaking journeys of two of society's castoffs as they make their way to each other and their roles as criminal and victim. What does it mean to be on the brink? When are those moments that change not only our lives but our very selves? And how, in this impossible world, full of cruelty and negligence, can we rouse ourselves toward mercy?

The Soul and the Seed Arie Farnam,2014-10-04 What if your very existence threatened the heart of power? It's the 21st century, right now, in America and on the surface everything looks just fine. But the commonly accepted image of society is an illusion. A clandestine force usurps the desires of individuals, and those who won't conform must be crushed to preserve the appearance of free will. Aranka is just a sixteen-year-old girl but a fluke in her genes makes her a threat. Those with power will stop at nothing to protect their supremacy. She is kidnapped by doctors who claim she's sick but it's only a matter of time before it's her turn to die. A diverse band of outlaws from every corner of the globe represent the only hope of resistance. Kenyen, a young doctor, infiltrates to the heart of the oppression but he can't stop the terror. He just wants to save one life. In the process he uncovers the Seed, the first flicker of hope in a thousand years. The Soul and the Seed is the first book in The Kyrennei Series - a dystopian fantasy thriller of today's world. The second book is The Fear and the Solace.
