the definitive career guide for grad students adjuncts post docs and anyone else eager to get tenure or turn their ph d into their ideal job each year tens of thousands of students will after years of hard work and enormous amounts of money earn their ph d and each year only a small percentage of them will land a job that justifies and rewards their investment for every comfortably tenured professor or well paid former academic there are countless underpaid and overworked adjuncts and many more who simply give up in frustration those who do make it share an important asset that separates them from the pack they have a plan they understand exactly what they need to do to set themselves up for success they know what really moves the needle in academic job searches how to avoid the all too common mistakes that sink so many of their peers and how to decide when to point their ph d toward other non academic options karen kelsky has made it her mission to help readers join the select few who get the most out of their ph d as a former tenured professor and department head who oversaw numerous academic job searches she knows from experience exactly what gets an academic applicant a job and as the creator of the popular and widely respected advice site the professor is in she has helped countless ph d s turn themselves into stronger applicants and land their dream careers now for the first time ever karen has poured all her best advice into a single handy guide that addresses the most important issues facing any ph d including when where and what to publish writing a foolproof grant application cultivating references and crafting the perfect cv acing the job talk and campus interview avoiding the adjunct trap making the leap to nonacademic work when the time is right the professor is in addresses all of these issues and many more

during the jim crow era the democratic party dominated the american south presiding over a racially segregated society while also playing an outsized role in national politics in this compelling book devin caughey provides an entirely new understanding of electoral competition and national representation in this exclusionary one party enclave challenging the notion that the democratic party s political monopoly inhibited competition and served only the southern elite he demonstrates how democratic primaries even as they excluded african americans provided forums for ordinary whites to press their interests focusing on politics during and after the new deal caughey shows that congressional primary elections effectively substituted for partisan competition in part because the spillover from national party conflict helped compensate for the informational deficits of elections without party labels caughey draws on a broad range of historical and quantitative evidence including archival materials primary election returns congressional voting records and hundreds of

early public opinion polls that illuminate ideological patterns in the southern public defying the received wisdom this evidence reveals that members of congress from the one party south were no less responsive to their electorates than members from states with true partisan competition reinterpreting a critical period in american history the unsolid south reshapes our understanding of the role of parties in democratic theory and sheds critical new light on electoral politics in authoritarian regimes

the book that america needs right now tom brokaw journalist and author of the greatest generation jake wood offers one of the most soaring definitions of service i ve ever seen maria shriver award winning journalist and author of i ve been thinking from marine sniper jake wood a riveting memoir of leading over 100 000 veterans to a life of renewed service volunteering to battle hurricanes tornados wildfires pandemics and civil wars and inspiring onlookers as their unique military training saved lives and rebuilt our country when jake wood arrived in the states after two grueling tours in iraq and afghanistan he watched his unit lose more men to suicide than to enemy hands overseas reeling jake looked for a way to direct their restlessness towards a new mission and put their formidable skills to good use when an earthquake struck haiti in 2010 jake had his answer he convinced several fellow veterans to join him on a ragtag mission to provide desperately needed aid despite the high stakes they were able to untangle complex problems quickly and keep calm under pressure in this raw adrenaline filled narrative jake recounts how over the past 10 years he s built the disaster response organization team rubicon and seen the work provide a lifeline back to purpose for the heroes among us not only do these intrepid volunteers race against the clock to aid communities after hurricane sandy hurricane harvey covid 19 and hundreds of other disasters they also fight for something just as important each other once a warrior provides a soaring look at what our veterans are capable of and what might become of america s next greatest generation
